

Queen of Hearts - Through the Looking Glass

November 2020 News and Views

Dear Parents

Fall is here and as such the weather is unpredictable. Please make sure your children come to school with adequate clothing for the weather and change of clothing. We still go out and play but if the children get wet or dirty they will need to be changed. In the Mad Hatter classrooms this month we are looking at Haiti and Nepal as part of our geography curriculum. We will be drawing pictures for our friends in Tytoo orphanage including Angelina and sending pictures and a letter to Bumika in Kathmandu. We are also practicing our concert daily so if you hear your child singing Christmas festive songs that is why!

I hope you find the upgrades useful. Thank you Carron
